

EXPLORING HEALTH CAREER PATHWAYS IN NEW MEXICO ECHO PROGRAM

NM High School Students Interested in Health Careers

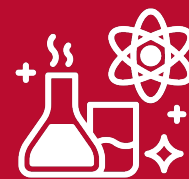

Join this **FREE** online program for **high school students and their families** to learn directly from college students studying health sciences!

Discover how to reach your health career goals:

- ▶ Choosing a health degree and career that fits **YOU**
- ▶ Tips for building a strong college or job application
- ▶ Telling your story in your personal statement
- ▶ Ways to pay for college and health professions training
- ▶ Finding shadowing and health care experiences
- ▶ Real stories and advice from current health science students
